

## St Aidan's Anglican Girls' School

*confidence and success*

10 November 2018

Dear Parents and Guardians

As the year draws to a close, the St Aidan's community can be proud of the achievements of our students and staff across the realm of spiritual, academic and sporting endeavors. I would like to take this opportunity to sincerely thank Ms Riordan, the staff, students and parents of our community for their outstanding support and commitment during 2018.

The budget for the new year has been recently approved by School Council. Following several years of substantial capital investment, 2019 will be a year of consolidation, strategic planning and preparation. The budget has been drafted to achieve specific objectives relating to the achievement of educational and operational goals, while strengthening the Schools underlying financial position. Focus in the new year will be on:

- Delivery of our educational and pastoral program;
- Establishing the new senior assessment program; and
- Renewal of the capital works masterplan

### Fee Increase for 2019

In line with previous years, School Council and the Senior Leadership team have again ensured fee increases are as small as possible in the new academic year. With an average fee increase for 2019 of just 2.6%, St Aidan's will once again be below the national average increase in education costs over the past 12 months. This will not however result in any compromise to our offering, with the quality of our teaching staff, academic focus and investment in resources to remain at the highest levels.

For those intending to pay the full year's fees in advance, you will receive a 3% discount on the tuition charge when payment is received by 30 January 2019.

If you have any queries about the attached fee schedule for 2019, please contact the Finance Office on 3373 5931 or [FeesInquiry@ssa.qld.edu.au](mailto:FeesInquiry@ssa.qld.edu.au)
