## Payment Terms

It is the intention of the School Council to set fees once each year, however, the School reserves the right to revise fees at any time. The School charges fees per term (Year 12 students are billed across three terms) and issues monthly fee Statements. Accounts must be paid in full on or before the first day of each Term.

The School cannot provide education to students where fees remain unpaid. It is an enforced policy of the School that a student may not take her/his place at the School at the start of a Term where fees for a previous Term remain unpaid.

## Payable Due Dates:

Term One: 24 January 2017

Term Two: 18 April 2017

Term Three: 10 July 2017

Term Four: 3 October 2017

An agreement to pay by instalments may be entered into through School Plan. Forms are available from the Finance Department or school website. You can also visit [www.schoolplan.com.au](http://www.schoolplan.com.au) for further information, including applicable surcharges.

Optional activities will not be available to students if compulsory tuition fees are overdue. Optional activities include exchange program, overseas tours, co-curricular sporting camps/tours, and private music or speech and drama lessons.

Parents are reminded that any fee concessions received are dependent upon the fees being paid by the due date. Concessions will be withdrawn if this condition is not met. Concessions include scholarships and bursaries.

## Late Payment Fee

Fees are payable on the first day of each term. Late payments will attract a monthly surcharge of \$75.
