Dear Parents and Guardians

In a year no one expected, our School community has steadfastly kept the focus on continuity of learning and staying connected to each other. What has been achieved this year has been extraordinary. I wish to thank Ms Riordan and all members of our community for stepping up to meet the challenges of 2020 and for their dedicated commitment to St Aidan's.

2021 Fees

The challenges we have faced in 2020 have resulted in the worst economic conditions within Australia for the past 29 years. When deliberating on the fees for 2021, the School Council has been very conscious of this, however, must also balance a growing cost base and preserving the experience our girls enjoy at St Aidan's. To this end, I would like to announce that there will be a small increase in fees in 2021 applied from Semester 2 only, therefore all families will pay 2020 fee levels (nil increase) for the first half of 2021.

We hope this action will assist our families in this difficult time.

The 2021 Fee Schedules are available on the school website and can be accessed by [clicking here](#).

A 3% discount will be available for all families who choose to pay their annual account on or before Wednesday 27 January 2021. The school also has very favourable terms if you would like to prepay fees for years beyond 2021, including tuition fees fixed at 2021 levels in perpetuity. Details of this program are available by [clicking here](#).

Payment of Fees

School fees are due at the beginning of each term. Your fee statement for Term 1, 2021, will be emailed to you in December 2020. The easiest way for most parents to pay their fees is via the Parent Lounge portal through Aidan's Central. Information on this will be provided with the fee statements.

If you would prefer to pay your fees in monthly instalments, please contact [Edstart](#).

Edstart allows you to pay your school fees in weekly, fortnightly, or monthly instalments. You can spread your fees evenly across the school year, as well as reduce your repayment amount by extending the cost over a longer time frame.

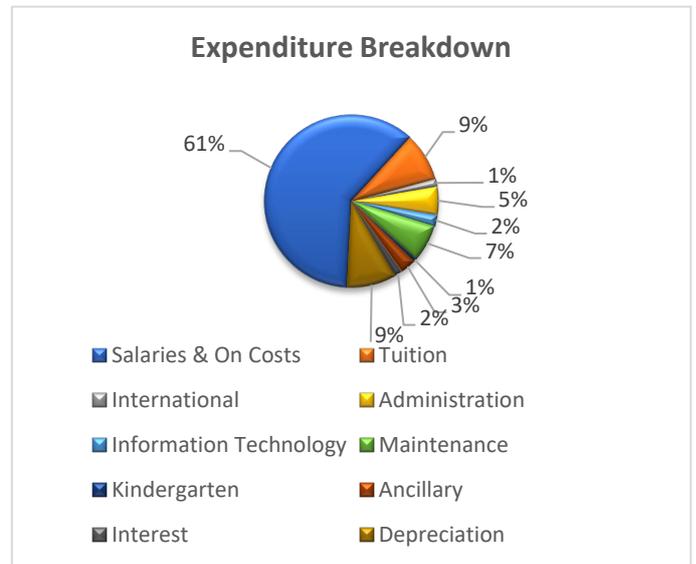

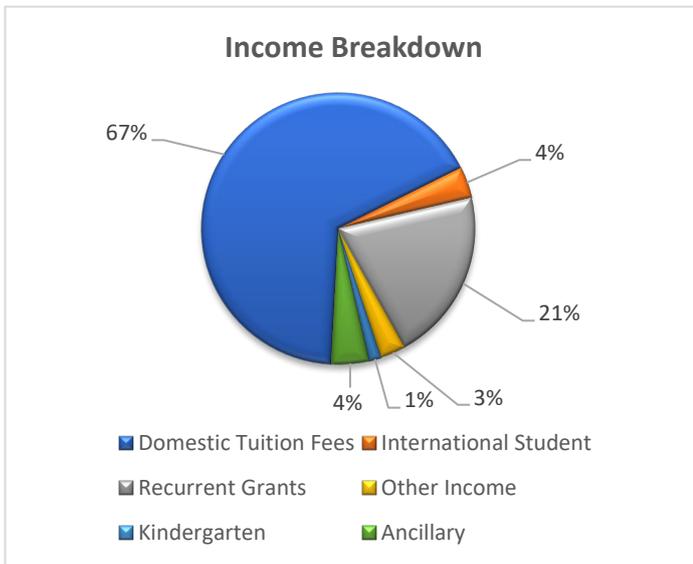

If you would like to take advantage of the 3% discount or wish to know more about the fee schedule for 2021, please contact our Finance Office on 3373 5931 or email FeesInquiry@ssa.qld.edu.au.

Income and Expenditure 2021

For your additional information, details of the school's income and expenditure as budgeted for in 2021 are shown in the graphs below. We will continue to deliver financial outcomes that ensure sustainable reinvestment into facilities and resources while reducing debt levels.

On behalf of School Council, I thank you for your support of St Aidan's and wish you all the very best for the remainder of the year and a safe and happy holiday season.

Yours sincerely

Stephen Green
