

St Aidan's P&F Cherry Drive

Christmas Cherries

What can be more Australian than cherries at Christmas?

Nothing I hear you say, except maybe **St Aidan's Cherries at Christmas.**

That's right, the P&F have teamed up with Harrowsmiths International, a school family, to provide the St Aidan's community bigger, better, cheaper and tastier cherries.

So, for the 2019 Christmas Festivities, we have Christmas Cherries available via Flexischools.
